Memphian

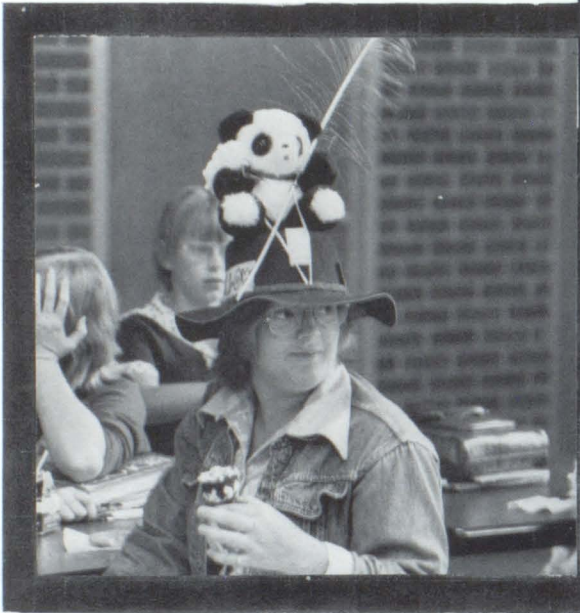

Remember the days
When dresses were long and hair was short
And you were cool and groovy?
The years have passed and times have changed,
But the memories remain the same.
We dedicate this 1978 Memphian to the Alumni.

The Bequeath...

I, Esther Anderson, will to brother man Pete Marshal Demiglio my ability to refrain from jamming before, DURING, and after jazz band rehearsals.

I, Jeff Auch, will my ability to put up with one certain coach, to my brothers, Mike and Kurt.

I, Earl Baranowski, will to all M.H.S. students the fun I had in Mrs. Beaudrie's class and at school and not to ever be bored.

I, Kevin Billingsley, being of a somewhat sound mind and body will all my hats to those people who like to take them off my head; my sense of humor to someone on student council next year so they can liven up those dull meetings; and I give one pair of chestnut eyes to Bernie Rucinski who insists that hers are green.

I, Sally Birkenshaw, will my height to my baby brother, Eddy.

I, Mike Bourgois, will by ability to do dirty thirties to anyone who gets caught.

I, Dave Burg, will my wrestling shoes to Pete Demiglio.

I, Bud Burns, will my ability to party any day of the week to Julie Paquette.

I, Sharon Burrows, will my nice and easy temper to coach girls softball to Sharon Soles and Linda Ciaramella.

I, Rocco Ciaramella, will my ability to go out and party and never get drunk (except once) to Mark Wilson. You'll need it.

I, Dawn Connelly, will my three brothers coming up all the willingness and courage to complete high school. They could also use my brains!

We, Scott Cottingham and Tim Jackson, being of no and one locker, will our locker to anyone with a locker that won't open, for ours will not close.

I, Cathy Cottrell, will to my sister Cindy and Trudy Somma the ability to not get caught doing what you're not supposed to do.

I, Renee Cummings, will my uncanny ability to sight-read the most difficult music to Don Fowler, who is in desperate need of it.

I, Loyd Danner, will to my sister, Susan, my ability to skip without getting caught and the ability to drink as much coffee as I can.

I, Lars Darin, will to the best high school in Memphis good luck in the future and I want to send many thanks for everything you have done for me as an exchange student. I also will to Belle River's golf course a golfer who feeds the water traps with golf balls next year as good as I did this year.

I, Allen Davis, will to my sister the best of the years to come at Memphis High and throughout life.

I, Angel Dehar, will to Carol LaFata you know who!

I, Steve Dunsmore, will to every guy in school my locker combination: 36-24-36.

I, Brenda Enders, will to Faye Paling and Beth Ahles my ability to party and have guys willing to die in the end when I tell them party time is over after a week of partying.

I, Bill Frisby, will to my sisters, Heidi and Kathy, the best of their years to come at Memphis High and throughout life.

I, Sandra Goralski, will to my brothers, Marlin and Larry the hope that they will find true friendship like I have found in Lynn Weis, Sharon Burrows, and Linda McCormick.

I, Tricia Grace, will to Kevin Billingsley one red carnation.

I, Wayne Hinson, will to my brother the ability to put up with this place.

I, Debbie Johnson, will to Peggy Lozen and Brian Card the talent to control the urge to tell the coach how to run his team in times of stress.

I, Brenda Kiehler, will to Mike Kasperski my money and brains: to Kathy Frisby all the little micro-organisms in this school to examine to her hearts content: and to Cliff Kiehler, my ability to get through school alive and in two piece.

I, Kelly Konyha, will to my brother, Kirt, the ability to sit through Mr. Kriesch's and Mr. Facione's classes as I did without falling asleep.

I, Brian Lapinsky, will my pride and selfconfidence to Rhonda Conlon.

I, Phillis R. LeTarte, will my ability to make witty remarks, not pay attention, and still pass accounting class to that No. 1 J.V. football player and cutest thing, Paul Jelinek.

I, Margie Lozen, will to my sister Peggy my ability to stick with the same guy for longer than a week.

I, Peggy Lozen, will to my little sister Molly all my "older sisterly" advice and my ability to skip over all the stages: to Al Smith, a map with all the "little roads" on it: and to Sean Mar-non I will my everlasting "puppy love."

I, Merry Lukasik, say GOOD-BYE from a long line of Lukasiks.

I, Jerry Martin, will all my flat tires on the way to school to anyone who drives to M.H.S.

I, Joanne Mayfield, will my ability to put up with my cousin, Jeff, to Theresa Lapensee.

I, Kevin Mazur, will to any underclassmen the ability to run over the high hurdles and not get bruised up like Kevin Billingsley.

I, Theresa McCarty, will to my brothers, Paul and Mike, the ability to succeed in anything they do, Remember, you're a McCarty.

I, Dawn Meno, will Laurie Russell the will to read books that she is given in class to read.

I, Penny Moran, will to Kevin Winn and Mr. Kriesch one pinca.

I, Dan Morgan, being of sound will and quite a mind, do hereby will to the folks of '79 the ability to laugh through this big joke.

I, Nancy Morgan, will to Laurie Morgan \$1.00 worth of gas to make sure I get home from work without having to borrow gas from Weis's.

I, Kathy Nash, will to my sister Deb the ability to get through

high school and still have fun.

I, John Nowakowski, will my golf clubs and hockey stick to the students of M.H.S. so that they will come to reality to see that there is another sport besides football. Shine on...

We, Charlotte Oxendine and Collene Rutherford, will to the future seniors all the fun and happiness which we have had.

I, Valerie Paling, will all Memphis High Students the ability to be themselves and not put on an act to please others.

I, Duane Pacquin, will to Larry Lumpford my ability to get up on Monday morning in your own bed.

I, Melanie Patterson, will my tolerance to put up with the B.S. of this school and the people in it to whoever needs it.

I, John Rhodes, being of sound mind will my ability to comprehend geometry to Sue Barron and Linda Ciaramella; and to Lori Albert I will the undying love of one certain male and some of my ability to baja.

I, Bernadine Marie Rose Rucinski, will all my money to my parents, my clothes to my sisters, my intelligence to my brother Steve my catering days to Diane Dolan, and all my luck with boys to anyone who has never gone steady.

We, Bernie Rucinski, Sharon Burrows, Terri Tatton, Beth Schott, Margie Lozen, Deb Winn, and Pam Seifert will one Pampers' diaper in time of desperate need to Anita Geiger.

I, Laurie Russell, will to any upcoming Christian the will to stick up for what he believes and not let other people tell them they're wrong.

I, Jeff Schenk, will to all of the students of M.H.S. who don't have a Ford—one Ford, so they will have something fast and won't have to work on it daily.

I, Beth Schott, do hereby will to Anita, Sandy, Margie, and Mary Jo all my left-over excuses that I didn't have time to use on Coach Helinski.

I, Pam Seifert, will to Diane Dolan, Paula Dunsmore, and Bev Salada all the patience and guts I had to live with "that Face" for two long years. Good luck on varsity, it's all yours!

I, Jack Smith, will Danny Zanolli, the ability to have a good time in M.H.S. without letting people get to you. (p.s. if you know what I mean, buddy)

I, Mark Strachan, will to Kathy Frisby all my future years.

I, Terri Lynn Tatton, will to my bigger little sister, Tracey Marie, my step ladder even though I'm sure she won't need it!

I, Chuck Wahls, will my dedication to the band at football games and parades to all of the underbandsmen with attitudes like Esther and Tricia.

I, Paul Weber, being of unsound mind, will to everyone in the upcoming years at M.H.S. my ability to swear, drink, drum on my desk, sleep in class, talk, smoke, skip, and just do nothing in school.

I, Lynn Weis, will to all the future short people of M.H.S. the hope that they get the bottom shelf in their lockers.

I, John Wessel, will to Kevin Winningham my car stereo system so he'll have a good one for his white bomb.

I, Bill Zukas, will to all band members the ability to keep the Memphis High School band spirit alive and active.

This is how we did it

And this is what we got!!

Foreign Exchange Students help insure global understanding.

FOREIGN EXCHANGE

1977-78 school year is really a lucky year for Memphis High School. We are fortunate enough to have four foreign exchange students with us.

Louie Bachelot, 16, came to us from France. He arrived August 21 and is staying with the Keith Burrows family.

Lars Darin, 18, came to us from Sweden. He arrived August 15, and is staying with the Donald Cummings family.

Jerome Foubert, 16, came to us from France. He arrived August 21, and is staying with the Dennis Haggerty family.

Vincent Van Der Post, 18, came to us from Holland. He arrived August 16, and is staying with the William Zukas family.

1977 VARSITY BASEBALL

Managers: Peggy Lozen, Debbie Johnson

Most Valuable—Mike Bourgois
Most Improved—Dan Jakubiak

The 1977 Varsity Baseball Team excelled both defensively and offensively. Last year's team finished with a .302 batting average, one of the highest in the league.

Players that received honors for the 1977 season were Jerry Grzech, Mark Marnon, Mike Bourgois, Jeff Wells, Sean Marnon, Dan Jakubiak and John Nowakowski.

With the nucleus of veterans players returning, the 1978 season should be the year of the Yellow Jackets.

COACH'S COMMENTARY

The girls ended their season with a fine 9-0 record. Although we are a young team (only two seniors) and a relatively small team (20 members). Every girl gave at least 100%, if not more. It was not only a great team but also a group of fine individuals. It was a pleasure to be associated with such a fine team.

We would like to give a special congratulations to Ms. Biliki for her honorary title of COACH of the Year. Congratulations!

Benny George—100 yd. Dash

The 1977 Track Team performed well, although the record did not indicate so. A major problem was the lack of participants. The ten member team attempted to succeed at a sport that requires a minimum of 25 men. A very positive encouragement is that all of the 1977 members will be returning lettermen. They will serve as a very fine nucleus for the '78 season, coupled with several promising freshman. The outlook for next year is very good.

A definite advantage to track is that it is both a TEAM and individual sport. A team may suffer due to lack of members, but separately, each runner can strive and satisfy personal goals and experience success. Next years goal is to achieve success in both catagories.

If you went to the J.V. games, you wouldn't believe there were only four cheerleaders yelling out those cheers. Even though they were small in number, the spirit and enthusiasm doubled as the J.V. cheerleaders lead the J.V. teams on to a great season. Way to go girls!

It has always been my belief that in our football program our success is directly proportionated to the leadership ability of our seniors. The class of 1977-78 has a great deal to be proud of, especially the desire of and example of its leaders. Everyone of the ten senior members of our football team made a valuable contribution to the most successful year (7 wins) in Memphis Football History.

The present senior class has been the finest that I have worked with at Memphis, not only based on their ability but on their desire to excel.

This years football team was an outstanding combination of leadership, hard work, and determination. We established a school record for wins (7) and provided our fans with enough excitement to last a lifetime.

Several players on our team achieved individual goals and received a great deal of noteriety, but it was the sum total of a team effort that made for our success throughout the season. My specific congratulations go to our ten seniors who are fine leaders and inspired us to do great things.

There may never be a more exciting (depressing) ending to a championship ballgame than our overtime game with Almont. Our team played superbly in shutting out for 4 quarters.

Our young men know what it is to work hard and then be rewarded for that input. We are looking forward to a great deal of success in our football program for many years to come. Discipline, Hark work, Determination and Leadership are the reasons our program has been successful. Many thanks go out to all the people who have worked so hard with our football team.

The Memphis Yellowjackets had to overcome lack of a gym, the flu bug experience, and injuries to post one of the best records in recent years.

The main accomplishments of the team were the best winning percentage in at least 8 years, the first win over rival Richmond in 10 years and Jeff Wells becoming the first player in the school's history to score over 1,000 points.
